

MEMBERSHIP STREAMERS and INCENTIVES

Dad Jeff's and my goal, this year, is to present every Bethel in Virginia with a Membership Streamer. Please help us to bring more "Unique Stars" into Job's Daughters" so they can experience all the magic and joy this organization can bring to our lives. "Cow" will this work? For each girl that is initiated, the Bethel will receive a white cow bell to place on their Bethel Cow. When a Bethel receives 6 Cow Bells, a streamer will be presented at a Grand Visitation, Bethel Meeting or Grand Session. When 12 daughters have been initiated a second streamer will be presented.

I have another challenge to add this year. If every Bethel in Virginia will get one streamer by June 30, 2008, I will bungee jump in a cow suit (at the place of my choice). I believe this feat can be accomplished - just ask the Bethels that have almost doubled in size during the 2006/2007 Grand Guardian Council year. I can't stress enough to try and build your Bethel's membership this year and every year. Someday I would like to see the room to capacity at a Grand Session. Help me make this "wish" come true!
